BID Marketing Consortium Committee Information

Block Captain Committee - Chair: Cassie Daniels-Downtown BID Manager

-This committee helps to improve the communication in Downtown Oshkosh. Each committee member goes out in May to approximately 10-15 businesses and drops off provided materials to business owners. This gives committee members the opportunity to get to know your neighbors, but also to help unify our Downtown by improving communication as to what is happening in our downtown and what our downtown has to offer.

Chalk Walk Committee - Chair: Sandy Prunty-AtomicKatz

-Chalk Walk is an event that was started in 2014 where artists come to Downtown Oshkosh and display their talents using only chalk. This committee organizes and oversees the to-do list and budget for the Chalk Walk, raises sponsorships, finds artists, and coordinates/participates the event happening on Aug. 5th 2017. This group will mainly meet once or twice a month from March-August.

Holiday Committee - Chair: Erica Mulloy-Satori Imports

-The holiday committee is in charge of promoting our downtown throughout the holiday season (Ex. Holiday passports) and will be organizing 1 big holiday event for the 2016 year. This committee organizes and oversees the to-do list and budget for the Holiday Committee, raises sponsorship dollars, and coordinates/participates in the event on November 18th 2017. This group will likely meet twice a month from August-December.

BID Marketing Consortium Membership Dollars

Your membership dollars go toward collaborative promotional materials as well as, any needed event materials and/or services.
